

# State Power Point Presentation Outline

You now have your state! It's time to create a power point presentation about it! Here is the information that you need to complete the assignment:

- Click on the Microsoft Power Point icon on the Dock.
- Customize your slides how you want them.
- On the first slide, enter your title (the name of your state). Underneath type your name, and include a picture related to the state you are researching.
- You will include a total of eight slides. The information you will need for each is described on the next page. Whenever you want a new slide, click Insert and New Slide. You should have the following on each slide.
  - Photo/Clipart
  - Animation - don't overuse these!
  - Transition
  - Follow 6-6 RULE
- To watch your entire slide show, click on the slide show icon.
- Be sure to save your work after you are done.
